

# COM1275: Photography-Digital Processing 1

## Photoshop Model Touch-up Assignment and Marking Rubric

1. Obtain a .jpg female head shot (without make-up) image from the Internet.
2. Using Adobe Photoshop CS4, perform touchups as necessary.
3. Using Adobe Photoshop CS4, add make-up to "enhance" this image in a positive manner.
4. Upon completion, save this completed "model" as a Photoshop .psd image.
5. Name this document using as follows "LastName FirstName Photoshop Model.psd"
6. Place your assignment within the appropriate "Drop Assignments" Folder (COM1275 Photography Digital Processing 1 Photoshop) in your class block folder.

**Assignment Deadline: April 12, 2011.**
