Graduation Portraits are scheduled for January 21 - 25

Sign up for your portrait session on the
RF Staples School web site.

1. Your graduation portrait session is FREE and there is no obligation to purchase photographs. If you do not have your portrait taken by the official Photographer from Imagine That Photographics, you will not be included in the yearbook or on the graduation wall display. Please have your basic cap & gown photos taken whether you intend to purchase photos or not.
2. Please show up for your appointment 10 to 15 minutes early. If you are late, we cannot guarantee that you will have your portrait taken that day.
3. Boys should wear a collared dress shirt and necktie. If you do not have your own dress shirt and neck tie, the photographer will provide a white shirt and black tie. Neutral colors are recommended as bright colors may clash with the grad collar. The collar for RF Staples School is red.
4. You are invited to bring a second outfit for any optional poses. This second outfit should be easy to change into as your session is only 15 minutes long.
5. You may bring props to use in your casual portrait. Props should not be larger than can be held in your hands or on your lap. Props may be placed on a table beside or in front of you. Props may include any personal items such as musical instruments, sports equipment, hobby items, awards, memorabilia, books, or any item that has meaning to you. Items that are illegal or normally prohibited from school property are not allowed.
6. All students will receive a souvenir Grad Portrait Booklet from their session at absolutely no charge. For more detailed information, please visit <http://imagnethatphotographics.com/school-grad-2/> to view and download a copy of our packages, prices, procedures and policies.
